	<p>One Security Officer Trained in FAA (SOTIFAA) shall be on duty per shift. While on duty, the SO's and SOTIFAA's shall have the following authority:</p> <p>Investigatory Stop - SO's and SOTIFAA's are authorized by NASA to conduct investigatory stops of persons on Center property in order to resolve reasonable suspicions concerning their actions or authorized presence on Center property. Such investigatory stops are authorized only so long as is minimally necessary to resolve the reasonable suspicions or until the arrival of a local, state or Federal law enforcement official, whichever occurs earlier.</p> <p>Detention - SOTIFAA's are authorized by NASA to detain a person on the Center to enable a local, state or Federal law enforcement official to determine whether the person should be arrested, if the SOTIFAA has probable cause to believe that the person has committed a crime on Center property. Any such detention is authorized only for a reasonable length of time based on the realistic likelihood that a local, state or Federal law enforcement official will arrive on the scene in a timely manner. Similar to the detention authority provided in ORC 2935.041, the SOTIFAA must conduct such detention in a reasonable manner. Specifically, except as necessary to protect the safety of persons in the immediate vicinity, the SOTIFAA shall not search the person detained, search or seize any property belonging to the person without the person's consent, or use undue restraint upon the person detained.</p>
